

SCREEN TEST IS COMING TO:

Breton

Health Centre

April 3 & 4

Screen Test brings breast cancer screening to women in rural areas with mobile mammogram clinics

A mammogram can help find breast cancer 2 - 3 years before it can be felt

Women 50-74 should plan to have a screening mammogram every 2 years and may self-refer

There is no cost for this service

To book a mammogram call
1-800-667-0604
(toll-free)
